Keene, NH – Today, Marilyn Huston filed to represent Keene Ward 2 in the New Hampshire House of Representatives. Marilyn released the following statement:

“I am proud to announce I am running to represent Keene, Ward 2, for the New Hampshire House of Representatives.” Huston said, “After observing our current NH Representatives voting for one disastrous bill after another, their determination to raise taxes that will destroy the New Hampshire Advantage, I feel it is time for new voices in Concord.”

Huston went on to say, “Never, will I vote for a Sales Tax, never will I support an Income Tax, and I will not vote for any bill that will burden the citizens of Keene, or across the state of NH.”

Marilyn, along with her husband Alan and daughter Sarah, has resided in Keene for thirty years.

With an Associate in Business Arts, Huston has been active in the community; she served as President for two terms with the Parent Association at MDS.
